*Here I am, standing right before You.
Here I am, trembling at Your word.
Here I am, seeking You in silence.
Here I am, here I am.*

I've squandered my days, keeping You away,
I've put all my faith in me.
I'm empty inside, too tired to hide,
Tossed like a boat on the sea.

I live in a daze, lost in a maze,
Built by my own sweat and pride.
No easy way out, just shadows of doubt,
Keeping me cornered inside.

Despite all my ways, ever You amaze,
Giving Your love and Your grace.
I'm all I can bring, to You, God and King,
Standing here in Your embrace.
