We are the light. We are the light.

When we wake up in the morning (we are the light).
As we travel through our day (we are the light).
When we give to one another (we are the light).
When we stop and pray and say:

We are the light. We are the light.

When we stoop to help the lowly (we are the light).
When we raise our voice in song (we are the light).
When we give without receiving (we are the light).
When we stop and pray and say:

We are the light. We are the light.

*We are the light of the world,
Like a star shining in the night,
Like a flame placed before your altar,
We praise the glory of your name*

We are the light. We are the light.

When we're open to the spirit (we are the light).
When we move with the Lord (we are the light).
When our arms are always open (we are the light).
When we stop and pray and say:

We are the light. We are the light.

When we light one candle (we are the light).
Instead of cursing the dark (we are the light).
When we live for one another (we are the light).
When we stop and pray and say:

We are the light. We are the light.
