Soft light from a stable door
Lies on the midnight lands;
The wise men's star burns evermore,
Over all the desert sands.

To all peoples of the earth
A little Child brought light;
And never in the darkest place
Can it be utter night.

No flick'ring torch, no wav'ring fire,
But Light the Life of men;
Whatever clouds may veil the sky,
Never is night again.

To all peoples of the earth
Never is night again.
The wise men's star burns evermore
Never is night again.
Soft light from a stable door
Never is night again.
Never is night again.
Never is night again.
Never is night...
